PERFORMING ARTS

Deonne Lamont

Mr Adams and “The Band” had stellar performances for BAHSE and TCE graduation and achievement days in October 2019. Their performances included “Spain” by Chick Corea and “Be Strong” by Sizzla. These pieces were chosen as they seemed most fitting for the age groups present at both graduation and achievement days. “Be Strong” was meant to encourage and empower students as they take on their new adventures. “Spain” was a more advanced piece for the young men, but both pieces were meant to reflect the complexity and diversity of our Caribbean flavour. When asked about The Band’s name, Mr Adams attributed it to the first batch of students apart of The Band. These students were trying to create a name for the group, they first wanted to call themselves “De Band” but decided to go with “The Band” as it would be a better representation of the institution. Special recognition and thanks should be given to Mr Adams and “The Band” for their hard work and excellent performances.
