

BISHOP ANSTEY HIGH SCHOOL EAST  
AND  
TRINITY COLLEGE EAST

"Selflessly Serving Our Community"

## *Celebrating 15 Years: 2001-2016*

Bishop Anstey High School East and Trinity College East (BATCE) celebrates fifteen (15) years of excellence in building citizens that are inspired to dream, create and selflessly serve their community. Since its establishment in 2001 BATCE has prepared students to lead a moral and spiritual life. The schools were designed to 'optimise student performance and development and encourage teaching to suit gender-specific learning styles and differing curriculum balanced by a strict code of discipline'. The result of the hard work by the management and staff has surely borne fruit in the seventy-nine (79) scholarship winners in 2009-2016; from 2^&% - 97% success at CSEC Examinations. Notwithstanding the improving academic excellence, BATCE has achieved national success in the fields of girls and boys football, cricket, swimming, archery, athletics and visual and performing arts.

To celebrate the 15<sup>th</sup> anniversary and to give thanks to the pioneers, BATCE hosted a Thanksgiving Service on Tuesday November 15, 2016; all members of the student population, faculty and administration were in attendance and the service was officiated by The Right Reverend Bishop Calvin Bess who was supported by members of the Clergy and Lay Ministers from community parishes from Curepe to Sangre Grande. The servers were all students from BATCE.

Additionally, BATCE together with the Trincity College Limited (TRINCOL) hosted a Commemorative Luncheon on Thursday November 17, 2016; honouring the Core Implementation Team that effectuated the institution. The honourees included the First Boards of BATCE and TRINCOL and members of the Core Implementation Team. Recognition was also given to the twenty-three members of the teaching and administrative staff who at the school from inception to present. The school's chapel was named after The Right Reverend, Rawle Douglin and the auditorium was named after pioneer and first Chairman of the Board BATCE, Cheryl F. Greaves. A significant

achievement at the function was the Feature Speakers, Lieutenant Darrion Carrington and Dr Keren-Maryse De Four who were the first Head Boy and Head Girl at the school.

BATCE thanks all members of staff past and present both academic and administrative that have served and continue to serve tirelessly for the benefit of students, the institution and the nation.
